

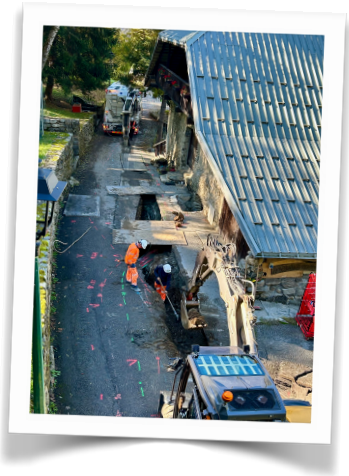
FALL UPDATE 2026

"There is so much more that the Lord is doing in the lives of the people who come to that camp than just what you guys see. I go there to serve & bless others, but I come away with more of the blessing."
~ One of our faithful volunteer workers

As we quickly approach the end of another year, it's a perfect time to look back and **thank God for all he has done!** We thank him for all those who came to serve on the program team, for those who worked in the kitchen and on the service teams, for those who helped on the work teams remodeling and preparing the facilities all year long. Thank God for all of you who prayed, who gave and who came! **THANK YOU!**

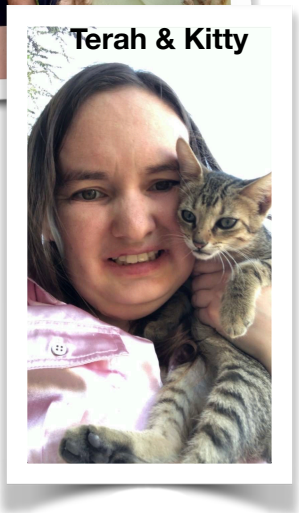
Again this year, we were blessed to be able to hear first hand how God is working in the hearts and lives of individuals, families, and in churches all across France and beyond through His work here at the Camp des Cimes. This is a great encouragement as we pray, plan, recruit and anticipate what He has in store here in the year ahead! We are always looking for good help year-round, so if you feel the Lord leading you this way, please don't hesitate to contact us.

We currently have a work team here to help renovate the Chalet des Cimes. This team is being co-led by two long-time volunteers, Jack Moorman and Matt Bullock (Matt works with GEM-Teams). The demolition phase is almost finished, and this team will be mostly working on remodeling. At the same time, the city is trenching the main road through camp to replace some of the overhead electrical lines with underground service.



FAMILY STUFF

Our **Camp Family** (which includes blood family) continues to be a great source of blessing and encouragement! We are all very different, but it's that wide range of personalities and talent that allows us cover a lot of ground. These people are God's hands and feet on the ground here at Camp that He uses to keep this little corner of the Alps a place where He comes in to save the lost and strengthen the found.



TRAVEL UPDATE

We are planning to be in the States November 10 to December 15. My mom's health is declining quickly, so we want to spend time with her, and hope to visit the rest of our family while we're there. We will be in Texas, St Louis and Wyoming.

Thank **you** for all your prayers and encouragement! *Tom & Brenda*
