

Arnie & Rubenita Johnson

Mozambique, March 2017

The time we spent with Arnie's family was a great refreshment for us. We praise God for the good opportunities we had with each of them, even though it was a very busy time of activities visiting churches and supporters. We are grateful to God for our Churches and supporters.

God gave us a good trip to Maputo, the capital of Mozambique where we have been since. As we said in our last letter, we will be here during this year.

The Lord has already given us a place to rent, we already bought stove, refrigerator, bed, wardrobe and little by little we are buying the other items we need.

We have also had the opportunity to visit some churches and establish some contact with some pastors here.

Since the beginning of this month Arnie is in our house in the village. Thank God he was able to fix our roof that always needs maintenance and made some small repairs needed. In May, Lord willing we will attend a seminar and a mission conference in Tanzania.

Thank you very much for your prayers,

In Christ,

Arnie and Rubenita Johnson
