Rural Home Missions

Ministry Update: April 2017

Dear Friends in Christ,

We wanted to send you a ministry update as it has been a while. We pray this finds you well, as you serve the Lord in your daily lives.

As you may know we are on Staff at Frontier school of the Bible in LaGrange, WY. We are so VERY much enjoying pouring into the lives of students so very eager to serve HIM!!! What a blessing it has been these past 6 months. We will be here for a while longer as we committed to a year to take our time and see what God had in mind for us. It was to be a sabbatical but a working one. Jeff has been involved in lots of special speaking as well (chapel, men's retreats, Men's groups etc..) as well, working on the maintenance of the school and has completed many projects that had been sitting on a waiting list for years, some as long as 7 years. This summer we will continue to work at the school (Jeff on constructing some projects and managing work teams for the school and Nickie in the admin office).

Jeff will also be speaking nine (40 minute segments) at a Bible camp the second week of June for older teens up near Chadron, NE. Last Sunday he was the special speaker for a Men's day up in Harrison, NE.

We had absolutely no doubt God was calling us to Frontier for a time (in many ways God made it so very clear!!) but we really wondered what opportunities a pastor and pastor's wife would have working in maintenance and the office. However, it turns out we have had more opportunities for ministry than we have had in 5 years!! Whether it be special speaking, helping in classes for pastor and pastor's wife training, some very heavy counseling, discipling, tutoring, married couples prayer groups and the opportunity to be of encouragement to small rural churches in the area.

At this point, God has us in a holding pattern, living day by day asking what the Lord wants for us each day. He has us living more by faith than ever before. God has supplied each and every one of our needs and He never ceases to amaze us at His Goodness.

All of these things have been mighty blessings to us, however the greatest blessing is to witness the hearts and passion of young people truly excited to serve the Lord!! To have the privilege of being a part of the lives and education of the next pastor's, Sunday school teachers, missionaries etc... going out into this sin filled world ready to serve with their whole hearts.

We also have the great honor of attending 2 weddings in May. Two young women (Frontier students) whom we have known since they were small are marrying very godly young men. There are other engagements in the school as well...another perk to witness!!!

We will be helping one of our prayer group married couples move back to southern Utah following their graduation next month. It will be a fast trip out and back but we look forward to seeing their new home and where they will be spending their internships.

We thank the Lord for each and every one of you and would love to know how to pray for you!

Please continue to pray for God's leading in our lives, we want to be used of Him in only the way He wants to use us.

In Christ Alone,
Jeff and Nickie
