Dear Ones,

Greetings for Colorado. Yes, I am in the States to see family and a short furlough. As I told you in my last letters I will be visiting basically in Colorado this time around with plans to visit my other supporting churches next time. If you are in this area and I have not contacted you please let me know. I would love to see you.

I arrived in Denver last Wednesday. Thanks for praying for what is happening in Uruguay. Not too much new in San Jacinto. I did make contact with a new lady, Rosana, who is open to study the Word. Lord willing we will be able to start when I return. I have enjoyed my little English students at the school. It has sure given a lot of open doors to get to know folks. Some of the kids have come to our Bible Club in my house. Pray with me that all of this will soon give results for eternity. Thanks for continuing to pray for Peña and Estella, my neighbors Stella and Daniel, Natalia, the lawyer and her family and office staff, the teachers and principle at the school. It has been good little by little to get to know folks.

You have prayed for the weekly Evangelistic Bible Study that we are having at my coworkers. Julio is the only one that has come on a consistent bases. We are thankful and praying for his salvation. Please continue to pray for the other neighbors around their house. They are always glad to get visits and talk about Spiritual things but as of yet, no commitments. We long to see them coming to know the Lord as their Savior and committing to studying God's Word.

We have enjoyed our Bible Clubs with the kids in all three towns (San Jacinto, Tala and San Ramon). So often over the years we have seen contacts with families come through the ministry with the children. Pray for God's working in the lives of these kids and also their families.

I'll stop for now. I look forward to seeing many of you. My address until August 29th is

13715 Lake Ave

Brighton, Colorado 80603

Cell 970 396 2751

I would love to hear from you. Thank you again for your love, prayers, and support.

Serving together,

Belinda
