

## *God is full of Grace!*

Monthly Feature: Moving Forward!!

**G**od is faithful. His gifting and grace are beyond what words can describe! At the close of my last letter, I had asked for prayer for a couple things: 1) that I would be able to put together a well-rounded presentation on the work in Ghana and my role (by God's grace) in that work. 2) that ABWE's Missionary Enrichment conference would go well as I attended as a brand-new missionary in their organization. Since then, both of those requests have been answered (mostly)! The conference went very well. I left encouraged by what God is doing in the world and in what He is doing in the lives of the missionaries who are a part of ABWE. It also gave me a necessary push toward getting my fundraising trips started and finishing up the remaining hours of flight needed I finish my license. My presentation on Ghana has yet to be finished, but God had something better in mind for me than getting my presentation finished. He presented me with the opportunity to be involved in a special ministry in Brasil with my home church. We were able to go down and serve Brasil Gospel Fellowship Mission in September. We were asked to put on their week long annual missionary conference. I was asked to minister to the teens that week. I had 11 kids that week for four hours every day. The conference was in Florianopolis, Brasil, a beautiful coastal city. It was a blessed week.

I have another exciting answer to prayer! I have been able to get a time slot opened to visit Ghana before the year ends!! I am praying about going to Ghana December

16<sup>th</sup> through the 24<sup>th</sup>. I need to apply for a visa, but am required to buy tickets before they will accept a visa application. Visas can be denied and airline tickets tend to be non-refundable or only partially refundable. Please pray that God would be glorified in a smooth visa approval.

Pray with me as I still have flight time to finish towards my license. Praise the Lord for the flight time He has given me! Pray that I would be content and patient as it moves a little slower than I had planned. I have a five hour solo cross-country flight I still need to complete and 2 more hours of IFR time to log. Pray for my flight instructor, Tracy Bastian, who is religious but blind to his need of Jesus as his way to the Father. Please be praying!!

Thank you for your interest in God's work in my life. Please contact me if you would like more information.
