Andrew working at MMS

Looking back:

Our September was pleasant as we settled into a routine of normalcy as Andrew works at Missionary Maintenance Service (MMS)

and we serve at church. We had planned on representing ABWE Aviation in Smoketown, PA at the fly-in, but the Lord had other plans and it was canceled due to poor weather that weekend.

October proved to be a busy month for us involving much travel. We were blessed to attend the Spiritual Life Conference that MMS had on the 3rd. It was encouraging to sit under the missionary speaker and fellowship with MMS folks. On the first weekend of October, we traveled to ABWE headquarters where Andrew co-led the annual aviation meeting and we were a part of the 24 HR Demo weekend. We traveled back to headquarters again on the 16th-18th for Good Soil Training. It was a rich time of learning and fellowship. The following week, we

drove to Kansas to transport the extra parts and tools for ABWE's Cessna 206 which has been flown to Wichita for storage at this time. It was so fun to spend time with Rebecca's family for the few days we were in Kansas. While we were there, we celebrated 1 year of marriage on October 26th! It has been a crazy year, yet so full of blessings! God is so good!

November has been a step back after all our travels in October. We have been excited to invite people over for meals and fellowship. Our Sunday school has begun a series on marriage which has been particularly encouraging to us as we continue to build a godly foundation in our marriage. For Thanksgiving, we traveled to Kentucky to visit some friends of Rebecca. It was a wonderful time of fun, food, and fellowship.

Fun with Rebecca's family

Looking ahead:

Our December has some varied Christmas events with our church and MMS coming up. We plan to travel to the Nebraska and Kansas areas to visit family around the Christmas and New Year's season.

In the new year, we will be focusing on partnership development. **Please pray about partnering with us financially.** We are only \$2,200/month away from full support! We are so grateful for all of you who currently support us through your prayers and giving!
