

## From Ruth Haynie - To my supporters, family, and friends

**Nothing takes God by surprise!**

August 24 – goodbye lunch for Cornelius’ - They will be moving to Springfield, Illinois in October. Michele Charles, Baxters, and Driesengas came to my trailer and we enjoyed our visit with Owen & Marilyn.

The same day, my little door in the front skirting (to get under the trailer) was fixed. It had rotted.

Then Suzanna & I met with Joy Baxter at her house so she could play our Bible Club songs onto Suzanna’s phone. They can then be played through the blue tooth on my record player for the kids to sing with.

That evening the landlords had a meeting. Lot rental went up and they are wanting to convert our trailer park into a mobile home park. If anyone sells, the trailer must be moved out of the park. Joy and rejoicing! I don’t plan to sell or move.

August 25 – Meeting with the young ladies who will be helping with Bible club.

August 31 – 1<sup>st</sup> Bible club of the semester.

On September 8, I will see the spine surgeon and ask questions and schedule surgery. I believe there will be 2

surgeries – one on the bulging disk in my neck and one on the bulging disk in my lower back. I am not happy about this, but all the advice that I have been given deems it necessary.

Although Hixson resigned, he had brought in another “free grace” man who is running things. A number of classes have been dropped from the curriculum. Some classes are being taught by “free grace” men in Duluth, Minnesota. Only one of the staff couples stayed. All the others have left. I am sorry to say that I cannot recommend CBI.

The ladies Bible study is beginning 2 Corinthians. We had a new lady come to our last meeting.

I always like to hear from you! My new e-mail is [haynierj@hotmail.com](mailto:haynierj@hotmail.com)

God’s blessings on you!
