

Hello from Ruth Haynie in beautiful South Dakota.

March 2022

I am so grateful for the young ladies who help with Bible club. **Suzanna and Emily Parker from Harrison, Nebraska, Hannah Haertel from Hot Springs, and Elizabeth from Broken Bow, Nebraska.** They help teach some lessons. They help with crafts, hearing verses, finding where our missionaries are on the map/globe, and they take turns leading game time. They also lead the flag salutes and the song times. They are cheerful and work well with the children.

I also appreciate all **the mothers** who bring snacks, get the kids here, and help their children learn their Bible verses.

The one on the right is **Hannah with Sammy Felizardo.** Behind her is Suzanna with Abby.

This third picture is me (Ruth) doing the missionary lesson of **The Girl in the Goathouse**, a girl persecuted in Nigeria. Notice how well these children are listening.

Moses lesson with children answering questions and helping tape words on the board. This is our last Moses lesson. Next week we learn about **heaven** and what is there and what is not there and how to get there. Then we finish this semester with lessons on the **death, burial, and resurrection of Jesus.**

Thank you for all your prayers and to those of you who give to help us with supplies! You are all such a blessing and have a hand in the spiritual growth of these children.

My ladies Bible study is going quite well. We will soon be finished with 2 Corinthians and moving on to 1-2 Samuel and 1-2 Kings. You can pray for me as I prepare for teaching the lessons in both Bible study and Bible Club. It takes a lot of time to read and study. In Bible club I also have to prepare the crafts and other things.

snowman during playtime and then **Tesa Holmquist** making her picture.

On a personal note, I have finished taking the prednisone and hope my cough does not return. I got my **diabetic shoes and orthotics** on the 18 and am now getting used to them. They are built up under the arch of each foot – something I am not yet used to.

My **breathing tests** are the 30th of March and the same day I will also see the lung doctor. She is trying to decide what is causing the scarring on my lungs. Pray for her to have wisdom.

My car is running again. God has a way of keeping it going! He takes wonderful care of me. *Pray for it to hang in there a long time yet* (smile).

I pray for my supporters, friends, and family so keep me posted on what you need me to pray about. I had to begin a new prayer notebook. They keep getting filled up. It is great to be able to mark PTL (Praise the Lord) on the ones He has answered for us.

The Lord bless you and keep you and give you peace!

One of my favorite verses: "Even so, come, Lord Jesus." — on the last page of your Bible.

With sincere thanks for your prayers and giving,
