

God is full of Grace!

Monthly Feature: ABWE IHQ, and Coshocton, OH

In you, O LORD, do I take refuge; let me never be put to shame! In your righteousness deliver me and rescue me; incline your ear to me, and save me. Be to me a rock of refuge, to which I may continually come; you have given the command to save me, for you are my rock and my fortress. – Psalm 71:1-3

Looking back:

Praise the Lord with us as our many travels over the month of July went smoothly and safely! We attended New Missionary Orientation at ABWE headquarters July 9th – 15th. It was a week filled with training sessions, paperwork, and meetings. Rebecca was interviewed and officially accepted as an ABWE missionary on July 12th.

Immediately following NMO, we attended ABWE's Missionary Enrichment Conference in Baltimore, MD. It was a great time to visit with fellow missionaries and celebrate what God is doing through ABWE's family of ministries. While in Baltimore, we visited Fort McHenry (not by the dawn's early light) and toured some of the docks at the inner harbor. The day after the conference, Rebecca got to see Washington D.C. for the first time! We drove to the national capital and walked eleven miles as we toured the many memorials and took in the many sights D.C. has to offer.

In August, we settled in to concentrate on work, church, and

home life. August was the first month no trips were scheduled on the calendar. It was our opportunity to work hard at building relationships at our new church body, building relationships at work, and learning to live life together day to day in a

lower-profile context. The fruit of that time was rich! Andrew got to fill the pulpit once in August and began to help on the music teams beginning in September.

Rebecca joined a ladies Bible study and started helping in the sound booth. AWANA ministries began in September as well, and we are both attempting to learn how this church does children's ministry so we can help in meaningful ways.

Looking ahead:

Please pray for us as we continue to settle into our new home and work routine in Ohio. With Rebecca now officially factored into the support

requirements, we have now raised 65% of our full support. We are so thankful for all the ways that the Lord has provided for us in our finances. **Please continue to pray** that the Lord will bring in the rest of our support while we serve at MMS in Ohio!

ABWE's Cessna 206 that was shipped from Togo arrived to the U.S. and is being assembled and inspected at MMS. Coming up September 23-24, we are representing ABWE aviation at the missionary fly-in in Smoketown, PA.
