

April 2024

From Ruth J. Haynie

My sister, **Bonnie**, will be moving to Missouri to live next door to her daughter, **Becky**, on April 30. We have

lots of friends coming to load the U-Haul and **Caroline** and her family will help unload on the other end as they live 2 hours away.

Pray for me as I have a GI endoscopy Pray and colonoscopy on April 16. The prep ahead of time is supposed to be awful. I have been having asthma and bladder problems and not sleeping well. **Pray also me** as I prepare for club. I really need **helpers** also. I am asking the Lord to keep me able to serve for another year at least.

My sister and several friends want me to get a cell phone, but I don't want to spend the money. God has always cared for me. Pray **for me** to have wisdom in this.

Pray for me to keep well so I can continue to serve the Lord.

Thank you for your prayers and giving and love!

Sincerely, **Ruth J.Haynie** – 27036 US HWY 385 Lot 16, Hot
