

# God is full of Grace!

## Monthly Feature: Travels and Ordination

**T**hank you so much for your prayers over the last three months!

### Looking Back:

**In July**, we flew to Nebraska for a Johnson family 4th of July reunion. It was such a blessing to fellowship with them all. We flew back to Ohio for Rebecca's 20 week anatomy scan for baby Johnson and rejoiced to find out that we are having a first born son! We have been affectionately calling him Nosnhoj (Johnson backwards) while he is in the womb. We attended ABWE's Essential Missions Components training for the week of July 15th. It was a full and thoroughly enjoyable time of learning and fellowship. We finished out our July travels in Oshkosh, WI, attending EAA AirVenture as ABWE Aviation representatives.

Andrew finished working at MMS. We focused primarily on support raising goals. We have been talking to a couple who is interested in serving in Ghana with us. **Please pray for us and them as we pursue this possibility further!**

**September** has found us on the road again. We traveled to the Hutchinson, KS area to raise support and visit Rebecca's family. **Praise the Lord with us** as we visited 4 churches and several families in the 10 day window we had.

On September 22, Andrew preached at our home sending church, Calvary Baptist Church of Hot Springs, SD. What a joy to reconnect with this body! Our Ohio friends, the Ellis family, traveled out to South Dakota for the first time to attend Andrew's ordination ceremony. We enjoyed

showing them around the beautiful black hills! We celebrated Rebecca's birthday on September 28th and participated in Calvary's special ordination service the following day. **Please pray for Andrew, Matthew, and Isaac as we each continue to pursue after the ministry of the Word of God.** We have been so overwhelmingly blessed by this local body and the impact they have had in raising up godly men for the work of the ministry. **Praise the Lord for His faithfulness and grace in the ministry of His Word and His people!**

### Looking Ahead:

We plan to arrive back in Ohio close to October 11th. Our Ohio home church is planning a baby shower for us on October 13th! For those of you who have asked about our

baby registry, we are registered with Amazon. Search baby registries for "Andrew Johnson" or "Rebecca Johnson" and pick the one located in Coshocton, OH. Our son is due on November 28th, Thanksgiving day. **Please pray for mama and baby!** We celebrate two years married on October 26th. **Praise the Lord with us for His faithfulness in our lives.** We are still raising support to return to the mission field. **Please pray that the Lord provides \$1,600 of regular monthly support.** We are praying for this amount to be committed before the year ends.
