

From Ruth Haynie – April 2025

Thank you, my dear friends, for the prayer and financial support you so faithfully provide!

Bible Club finished April 8 for this school year. Then after I rest up some, I will begin plans for next year's club which starts in August 2025. We finished up with 25 children.

I have been down sick with an asthma attack (the first this year). I was so glad to not be sick during the dead of winter. Margy Mauck was able to read the missionary story for me on the 1st as I could not, due to coughing too much. I just turned the pictures in the book. She helped as several of

my helpers were down with a virus that is going around town.

This week we will have certificates for the children. We will also have DQ certificates for those who had perfect attendance and for those who said all their verses. The DQ certificates allow them to go get a cone.

Our ladies Bible study has missed several meetings in the last couple of months due to bad weather (snow, ice, wind, etc.). I was down with my asthma attack on the 3rd. We had lots of snow. It blew up on my porch. There were snow waves in the yard and I had about 8-10 inches due to blowing.

Pastor Ralph Silcott had a stroke and hasn't been able to attend church recently. Joy Baxter and Josiah Huntington take turns playing the piano. Susan, Joy, and I like to eat out together when we are in Rapid City for doctor appointments.

The Lord bless you and keep you and give you peace!
